Treatment at police station or other place of detention:

Was the intention to ask for asylum expressed?: Yes

Reported by: Rigardu

ORIGINAL REPORT

In the evening on Sunday 25th March 2018 about at 10-11 pm 6 men (from Pakistan, the interviewed one and his friend underaged 16 years, others older, about 20-25) got into truck container and crossed in it the Serbian-Hungarian border near Horgos Serbia, probably at Horgos – Röszke Border Crossing Station (picture). There some Hungarian police officers checked the truck and caught the men. The men expressed an intention to seek for asylum, but the officers didn't respond appropriately. The officers checked their bodies and bags and asked the names of the men. The men replied and the man interviewed showed his identity card from Obrenovac camp. No more documents were made or fingerprints or pictures taken. The men were not asked to sign in any papers and no documents were given to them. After about 3-4 hours at the place, at night on Monday 26th, the group was transported with car about 10-15 minute drive away, to other place on the Serbian-Hungarian border close to Horgos Serbia, where the police ordered the men to go back to Serbia. The men returned to Serbian side and walked for 2-3 hours to Horgos Serbia.
