2 people from Pakistan were at their place between two fields where more or less 15 people are living when 2 Serbian police men showed up (their location: 45.111977,19.231649). The two Pakistanis were laying on the ground and sleeping and the police men started to beat them up with a police baton. They were wearing uniform and came in a police car. They shouted at them "fuck you, go away, when we come back in 1 hour and you're still here we bring you to a police station".

Then they went away.
