Two people from Pakistan (one minor) were caught in Velika Gorica. The neighbours called the police when they saw them in the street. Police took them to the police station and hit only the minor in the eye (see the picture below) and in the back. Police checked the phone and saw his GPS map. They asked for asylum but the police said it was not possible. Police took pictures of

them holding a piece of paper with an identification number and their names. The same police officers pushed them back to Batrovci. Facebook contact or phone number Available
