ORIGINAL REPORT

31 people, 20 of them under age were found next to the river in Croatia. They had to sit on the ground. One by one had to stand up. Eight police officers came, one was a woman (two of them normal police, six border police). One policeman is already familiar, he is tall and strong, bald with big muscles. They were there with a white van and a normal police car. They asked if anyone spoke English and said to them in Croatian "son of a bitch". The refugees tried to cover themselves with jackets. They broke the glasses of one. They took all the cell phones; the good ones they kept and the others they destroyed.
